

ISO 9001 Quality Management Systems

QUALITY POLICY STATEMENT

The company is committed to providing its customers with resin floors & line marking and associated items which meet:

The requirements of any specified international standard

The Client's particular standard

The companies established Standards.

The Director and staff are committed to meeting the requirements of ISO 9001 and continually improve the effectiveness of the management system by analysis of company performance and customer satisfaction.

The Objectives for continual improvement will be identified at Management Review and communicated by the Director.

Signed

Mark Longton
Managing Director
